

Fight For Our Marriage

01-11-16

V1:

Fairytale unfolds with faithful hearts
Covenant made "til death do us part"
Honeymoon years were full of dreams
Moonlit strolls holding hands by the sea

V2:

Our family of two doubled into four
Teenage years turned our house into war
We collapsed from the stress of life
And our bond began to divide

Pre-Ch:

When times get tough
We won't give up

Chorus:

Our marriage is forever
Through fair and stormy weather
Vows must be cherished
Let's fight for our marriage
Yeah, let's fight
Fight for our marriage

V3:

Hurts slowly built into thick walls
But forgiveness made them fall
Changing each other was not the key
Love and acceptance set us free

Pre-Ch:

Same as above

Chorus:

Same as above EXCEPT NO LAST LINE

Bridge:

Struggle makes us stronger
Makes our love last longer
What God has joined together
Won't...be....broken

Struggle makes us stronger
Makes our love last longer
What God has joined together
Won't be broken, but made better

Chorus:
End
