

Not Just On Sunday 03-20-16

V1: In this place, I look perfect
 Singing to my Lord, praise and worship
 In my mind, I'm miles away
 Struggling to bow and pray

Pre-Ch: God, bring me closer
 Lead me further from myself

Chorus: I wanna go deeper
 Than shallow water
 Pull me in all the way
 I won't be the same

 I wanna be real
 Not pretend to feel
 Be Christian...everyday
 Not just on... Sunday

V2: In my walk, I'm all talk
 Living a lie, in the dark
 In my heart, I'm not honest
 Wrestling with my conscience

Pre-Ch: God, bring me closer
 Lead me further from myself

Chorus: I wanna go deeper
 Than shallow water
 Pull me in all the way
 I won't be the same

 I wanna be real
 Not pretend to feel
 Be Christian...everyday
 Not just on... Sunday

Bridge: I should be a changed person
 Live my life with a purpose
 Help the hurt and lead the lost
 Take up the cross

Chorus I wanna go deeper
 Than shallow water
 Pull me in all the way
 I won't be the same

 I wanna be real
 Not pretend to feel
 Be Christian...everyday
 Not just on... Sunday
