

## **We Are What We Think**

**February 29, 2016**

V1:

My mind wanders,  
Blind to intruders,  
Sneaking into place  
Upon an empty space  
Thoughts come and go  
I just don't know  
What's affecting me

Pre-Ch:

When I meditate on the Word of God,  
the truth will chase away the fog

Chorus:

All that is beautiful  
Let's focus on this  
All that is righteousness  
Let's focus on this  
Cuz we are what we think  
Woah, we are what we think

V2:

The sites I've seen  
Digital insanity  
The flicks I watch  
That leave me lost  
The music I hear  
Keeps burning my ears  
It's affecting me

Pre-Ch:

When destructive thoughts take control  
Light comes to liberate my soul

Chorus:

Bridge:

Be vigilant!  
Be very, very vigilant!  
Don't let your guard down!  
Not even for a moment!  
The accuser tries to devour

But God holds the power  
Be vigilant!  
Be very, very vigilant!

Chorus:  
(Add to top chorus 2 lines at the end)  
We are what we think (2X)
